DELIVERY SYSTEMS OPERATOR TRAINEE/DELIVERY SYSTEMS OPERATOR III

Operations & Maintenance Division

Delivery Systems Division (3150/3140)

DS Operator Trainee | Grade 20 | \$33,801.49-\$56,384.84*

DS Operator III | Grade 21 | \$35,525.70 - \$59,261.03*

Open: February 14, 2019 • **Close:** March 1, 2019

**One position is available; to be filled based on the candidate's qualifications.*

The Upper Occoquan Service Authority is a leader in water reclamation making a difference in the protection of the region's waterways and the drinking water for the public. If you want to make a difference in protecting the environment and serving the residents and businesses of Northern Virginia, UOSA wants to talk to you.

RESPONSIBILITIES

The candidate will be responsible for performing preventive and corrective maintenance tasks of Delivery Systems stations and wastewater lines; does related work as required. Is exposed to a wastewater biological and chemical hazardous environment. Also responsible for the security and all operations for the Delivery Systems Section.

The **DS Operator Trainee** performs under immediate instruction/supervision of Delivery Systems Operators, as directed by the Delivery Systems Manager. An Operator Trainee gains on-the-job experience as tasks of increasing difficulty are assigned.

The **DS Operator III** performs in accordance with procedures outlined by the Delivery Systems Manager to whom unusual or emergency problems are referred, but employees in this class are expected to be competent to make basic repairs and adjustments to the equipment with detailed instruction while still gaining some on the job experience. Receives supervision from the Delivery Systems Manager and Delivery Systems Assistant Manager.

REQUIREMENTS

- **DS Operator Trainee:** Completion of high school or GED is required. Any equivalent combination of education, experience and training which provides the required knowledge, skills and abilities is acceptable. Some knowledge of basic mechanical and electrical equipment; skill in the use of power and hand tools; ability to understand and follow written and oral instructions; must possess mechanical aptitude. Some experience as a mechanic's or electrician's helper desired.
- **DS Operator III:** Completion of high school or GED is required. Any equivalent combination of education, experience, and training which provides the required knowledge, skills, and abilities is acceptable. Must have successfully completed the UOSA Delivery Systems Operator III test and is expected to use good judgment in operating and maintaining equipment. Must have good knowledge of the operation of Delivery Systems equipment; pump station locations, force mains, interceptors and blueprints; good judgment; ability to understand and follow oral and written instructions; dependability; and mechanical aptitude.
- Must be able to handle the physical requirements of the position to include extensive walking, bending, stooping, climbing of stairs and ladders, and lifting/carrying up to 75 pounds.
- Possession of a vehicle operator's license valid in the Commonwealth of Virginia is required.

**Starting salary will be between minimum and midpoint in the range.*

The vacancy notice does not imply that these are the only duties, including essential duties, to be performed in the position.

Please request a full job description from the HR Department via email at good.jobs@uosa.org.

All employment offers are contingent upon the successful completion of a pre-employment drug and alcohol screening, physical exam, and background check paid for by UOSA.

In order to be fully considered for the position, all applicants must submit a complete online application along with an updated resume via the UOSA website: Uosa.org/Careers > **Candidate Profile.**
