Re: Notice of Award, UOSA Contract MFF – Methanol Feed Facilities

Dear Mr. Walker:

Pursuant to Article 16 of the Instructions to Bidders (ITB), this letter serves as UOSA's **Notice of Award** for UOSA Contract MFF to Clark Construction Group, LLC. Attached please find three originals of the Contract referenced herein. Please sign and return all three originals with the payment and performance bonds, and insurance policies and endorsements within 14 days of the date of this Notice as required by Article 2 of the Bid Form. See General Condition 59 for insurance coverage requirements. Upon receipt of the complete, accurate and signed Contract with required insurance documentation, and bonds, all in conformance with the Contract requirements, I will execute the Contract and return one original to you for your files.

General Conditions Article 22 outlines the power and authority of the Deputy Executive Director in the absence or incapacity of the Executive Director, and allows the Executive Director to designate additional individuals authorized to act on behalf of the Owner. Pursuant to General Condition Article 22.A, I hereby designate the following individuals as being authorized to act on behalf of the Owner for all purposes under the Contract: Mr. Brian Owsenek, Deputy Executive Director; Mr. John W. Airhart, Director, Capital Improvements; and Mr. Shakil Ahmed, Project Manager. Please direct all correspondence to Mr. Ahmed. Mr. Ahmed works in Capital Improvements (CI) under the guidance of Mr. Airhart, the Director of Capital Improvements.

After the Contract has been executed, Mr. Ahmed will contact your office to set up a preconstruction conference. UOSA looks forward to working with Clark Construction Group, LLC on this important project. If there is anything you need, please do not hesitate to call.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Robert W. Angelotti', is written over a light blue horizontal line.

Robert W. Angelotti
Executive Director
