OFFERORS MUST ACKNOWLEDGE receipt of this Addendum by one of the following methods:

- b. By referencing its receipt in your Transmittal Letter

If by virtue of this Addendum you desire to change a proposal already submitted, such change may be made by letter, provided it includes reference to the solicitation and this Addendum and is received prior to the due hour and date specified.

DESCRIPTION OF ADDENDUM:

To provide answers to questions received prior to the deadline for questions. The following are questions received and relevant responses:

Q: For new equipment to be installed, will the contractor be responsible to procure the equipment through a task order, or will UOSA purchase the replacement equipment?

A: It depends on what the circumstances are. UOSA operates both ways. At times, the contractor provides the equipment and other times UOSA provides the equipment. Those types of specifics will be addressed when an individual task order is priced/negotiated.

Q: Are the divers required to be ADCI-certified?

A: Bidders should provide any certifications of divers they believe meet the needs for this IFB. Certification specifically by ADCI is not required.

All other Terms, Conditions, Tables, Charts and Specifications, and Drawings not otherwise changed remain as originally stated or as shown.
