READY TO DEVELOP THE FUTURE OF WATER!

Safety & Security Coordinator III	Grade 6	\$58,873 - \$94,196*
-----------------------------------	---------	----------------------

Open: October 21, 2025 ▪ Close: Open Until Filled

One position available; filled based on the candidate's qualifications. Starting salary will be between minimum and midpoint in the range.

ABOUT US

Are you passionate about making a difference and being a trusted steward of our most precious resource? UOSA is seeking a highly motivated and enthusiastic individual to join our team!

The **Upper Occoquan Service Authority (UOSA)** is a cutting-edge water recycling facility transforming the way the world thinks about sustainable water solutions. Established in 1978, UOSA serves Fairfax County, Prince William County, and the cities of Manassas and Manassas Park and is the first and longest-operated indirect potable reuse project in the United States. UOSA has been treating and reclaiming water for use as drinking water for nearly 50 years.

From being recognized as a **Utility of the Future** to pioneering advanced research and technology in the industry, our facility now recycles up to 54 million gallons of water per day. UOSA's efforts ensure a reliable supply of high-quality recycled water, contributing to the overall drinking water strategy for the Northern Virginia area.

If you are ready to be challenged in designing, optimizing, and revolutionizing water treatment systems, then take the next step in your career and apply today to be part of our dedicated team!

WHAT YOU'LL BE DOING

As the Safety and Security Coordinator, you will execute, coordinate, monitor, review, and evaluate safety and security programs for UOSA in order to provide safe facilities and a safe environment for personnel. You will serve as the UOSA security officer with primary responsibilities for maintaining the physical security features at UOSA facilities. You will respond to emergencies and support event investigations. Your work will be a critical component of UOSA's Vision to be globally recognized for its leadership in protecting the region's water resources.

WHO YOU ARE

Problem Solver: You will thrive on challenges and find creative solutions that push the boundaries of water recycling

Impact-Driven: You are passionate about water sustainability and want to make a difference

Team Player: You like to work collaboratively with operators, technicians, and leadership to achieve groundbreaking results

REQUIREMENTS

- Associate's degree in Occupational Safety and Health, Environmental Science, Criminal Justice, Industrial Hygiene, Public Administration or related field is required.
- 3 or more years of experience in security, safety, or a related field required.
- Must be able to develop policies and procedures regarding safety and security requirements and establish effective working relationships with UOSA employees.
- Must have basic understanding of industrial safety and security as well as NFPA, ANSI, OSHA and VOSH standards.
- Must have strong skills using Microsoft Office products including Word, Excel, Outlook, and PowerPoint.
- Excellent written and oral communication skills.
- Must be able to handle the physical requirements of the position, including extensive walking, bending, stooping, climbing stairs and ladders, and lifting/carrying up to 50 pounds.
- Possession of a vehicle operator's license valid in the Commonwealth of Virginia is required.

APPLICATION PROCESS:

The vacancy notice does not imply that these are the only duties, including essential duties, to be performed in the position. Please request a full job description from the HR Department via email at good.jobs@uosa.org.

All employment offers are contingent upon the successful completion of pre-employment drug and alcohol screening, physical exam, and background check paid for by UOSA.

To be fully considered for the position, all applicants must submit a complete online application along with an updated resume via the UOSA website: Uosa.org/Careers > Candidate Profile.

*Once logged into your profile, click on **Find Jobs** in the upper left-hand corner of the screen, followed by **Search for Jobs**. Review the vacancy and apply for the position.*
