Invitation to Contractor Outreach Session

We invite you to join us for a Contractor outreach session, where UOSA will present its upcoming Yorkshire Park Interceptor Upgrades Project currently scheduled to start construction in Summer 2026. We appreciate all qualified Contractor's interest in this critical conveyance project.

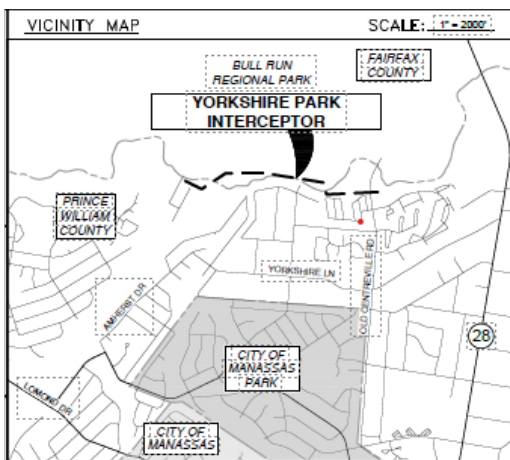

Date and Time: May 20, 2026 at 9:00 AM

Location: UOSA Sellman Conference Room
14631 Compton Road, Centreville, VA 20121

The Yorkshire Park Interceptor Upgrades Project includes:

- Replacement of existing 18 inch ACP sanitary sewer main with 4,700 feet of new 24" interceptor main within the Bull Run Regional Park (owned by the Northern Virginia Regional Park Authority)
- Sewer bypass system and continuous monitoring services
- Stream restoration at four different locations including construction of new pipe concrete encasement and pipe protection along active streams
- CIPP pipe rehabilitation
- Majority of the project site is within the 100-year floodplain
- Site improvements including access road and restoration activities

A more complete scope and project requirements will be presented at the meeting.

Breakfast will be provided.

Please RSVP to Theresa Philmon at Theresa.Philmon@uosa.org by 5/15/26 so we can plan accordingly.

If you have any questions, please call 703-227-0292.

We look forward to seeing you.
