Invitation to Contractor Outreach Session

UOSA invites you to join us for a Contractor outreach session, where we will present information on the upcoming Phase 2 Nitrogen Removal and Other Interim Process improvements (P2NR+) Project currently scheduled to start construction in Fall 2026. We appreciate all qualified Contractor's interest in this critical UOSA project.

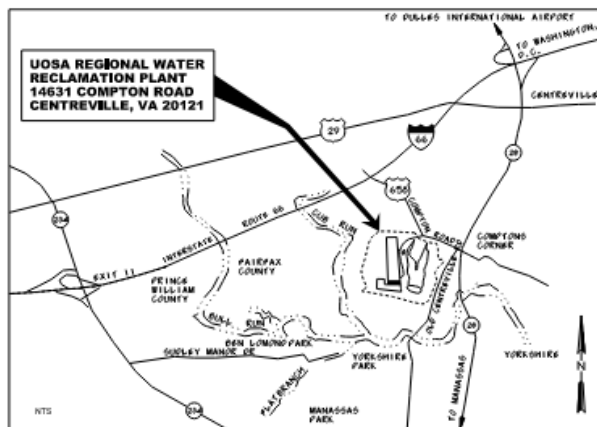

Date and Time: June 22, 2026 at 9:00 AM

Location: UOSA Sellman Conference Room
14631 Compton Road, Centreville, VA 20121

The P2NR+ Project consists of nitrogen management process improvements and extensive Renewal and Replacement work. Major Project Components include improvements of Return Activated Sludge Hydraulic, Cyclones and Settability, and Mechanical, Process, and Electrical system upgrades.

The construction contract value is estimated to be \$40 million to \$50 million with a construction duration of 51 months. Bid phase is anticipated to start in Summer 2026.

A more complete scope and project requirements will be presented at this meeting.

Breakfast will be provided.

Please RSVP to Theresa Philmon at Theresa.Philmon@uosa.org by 6/15/26 so that we can plan accordingly.

If you have any questions, please call 703-227-0292.

We look forward to meeting you.
